

Metro Dance Center
2018-2019 Competition Tights Information

Below is a list of the tights that each group needs. Students needing tights should order them. We will have extras on hand but cannot guarantee that they will be available if they aren't pre-ordered. Size charts for the tights are below but the tights tend to run small. If you have questions about what size your dancer should order please talk to one of the staff members who can help give you a better idea. Tights cannot be returned once opened. Tights orders should be handed in with payment by Friday, December 21st.
