Lips

This year, the lipstick will NOT come from Mary Kay. However, if you have Mary Kay colors from the past couple years, it is a very similar color so those can still be worn. The new lipsticks are less expensive and don't tend to change as often as the Mary Kay ones. (These are not applicable for a discount but can be ordered through the studio for ease.)

Rimmel Bordeaux (Dreams, Crystals, Diamonds)	\$7.00
Rimmel Berry #30 (All other Groups)	\$7.00
