### **Spring Performances**

Though it may seem like a long time away, it is already time for us to begin preparing and planning for the spring performance! This is a very exciting time of year for both the students and the instructors at Metro Dance Center. It is a great opportunity for the students to perform what they have learned throughout the year for their family and friends on stage in a professional performance. Students are encouraged to participate in the spring performance, but are not required to. Students who do not wish to participate in the spring performance are welcome and encouraged to continue taking class for the remainder of the year in order to continue learning new skills and routines as well as participating in a fun and creative environment. Below is important information about the costumes and spring performance.
