November 2019 Class Information

Listed below you will find the pertinent information for the upcoming month. You will receive a note each month with your bill and it is very important to carefully read through all the information listed. Please give us a call at 651-482-1737 or e-mail us at metrodancecenter@gmail.com if you have any questions.

Spring Performances

Though it may seem like a long time away, it is already time for us to begin preparing and planning for the spring performance! This is a very exciting time of year for both the students and the instructors at Metro Dance Center. It is a great opportunity for the students to perform what they have learned throughout the year for their family and friends on stage in a professional performance.

Costumes

Costumes are one of the most exciting aspects of the spring performances! Pictures of your dancer's costume(s) are available to see at the front desk and have also been emailed.

- Students are being measured for the costumes during class time the week of November 4-9. If your child is absent during the week his/her class is measured please stop by the front desk to have your dancer measured.
- The first of two costume installments has been charged on this month's bill and is due November 9th. The second installment will be charged on your next bill and is due December 1st. **ALL COSTUMES MUST BE PAID IN FULL BY DECEMBER 1st**. For classes with costumes that need tights, the costume charge includes the cost of the tights.
- If your child would like to continue to participate in class but does not want to participate in the spring performance and therefore you do not need a costume, please fill out a form at the front desk or email us by December 1st. We will credit your account accordingly. Dancers are still welcome and encouraged to continue taking class for the remainder of the year to continue learning new skills and routines as well as participating in a fun and creative environment.

Spring Performance Dates/Times

- The Spring Performances will be held May 29-31 at Spring Lake Park High School.
- The date of when each class will perform in the spring performance will be available in early November.
